Sample: CANCELLATION NOTICE

Dear {Participant Name}:

Your dependent(s) will be deleted from CalPERS health and/or dental coverage effective {effective date} if you do not take action to re-verify your dependent(s) by {due date}.

To ensure only eligible dependents of State retirees are enrolled in employer-sponsored health and/or dental coverage, California Government Code section 22843.1 and California Code of Regulations Section 599.855 requires CalPERS to re-verify the eligibility of your dependent(s) at least once every three years. This letter outlines instructions for you to re-verify each dependent's eligibility with CalPERS. All requested information must be provided to CalPERS by {Due Date} in order for your dependent(s) to continue receiving health and/or dental coverage and avoid being cancelled on {effective date}.

If the re-verification is processed after the 1st of {birth month}, retroactive premiums may be owed resulting in an accounts receivable with CalPERS.

If you have previously provided the required documentation to re-verify each dependent's eligibility outside of this effort or to your employer while working, the documentation must be provided again for any dependent(s) listed on the Dependent Verification Affidavit to comply with this requirement.

CalPERS will retain all of your required dependent re-verification documents in your account. You may not be required to provide the government issued marriage certificate, domestic partnership registration, and birth certificates for stepchildren or domestic partner children if the marriage or domestic partnership remains current.

Dependents who require re-verification

- Current spouse
- Current domestic partner as registered with the California Secretary of State's Office or a comparable agency in another jurisdiction
- Natural-born*, adopted*, current step, or current registered domestic partner children up to age 26.

*These children will only need to be verified once during your re-verification as a retiree.

Instructions

- Review the list of your dependent(s) who require re-verification.
- Make copies of any required re-verification documents for each dependent requiring re-verification and submit with the completed affidavit by {Due Date}.

Please ensure the dependent(s) losing coverage receive this important information about continuation of coverage.

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) requires employers to extend group coverage to dependents that lose eligibility through the CalPERS Health Benefits Program.

Coverage may be continued for a maximum of 36 months from the termination date of dependent coverage. The premium is paid directly to the health plan at a rate not to exceed 102 percent of the group monthly premium rate. You may contact your health plan directly to obtain your specific premium amount. There is no employer contribution available toward the cost of COBRA continuation coverage. The coverage must be continuous; therefore, the effective date of the continuation will be the date of termination from the subscriber's coverage.

The election for continuation must be submitted within 60 days of receiving this notification or loss of coverage, whichever is later. Once the 60-day election period passes, the right to continue health coverage will end.

Additional details concerning the continuation of coverage under the provisions of COBRA may be obtained through CalPERS.

Affordable Care Act Information:

The Affordable Care Act (ACA) allows individuals to access affordable coverage through the Health Insurance Marketplace. If you purchase your health coverage through one of these Health Insurance Marketplaces you may be eligible for government subsidies to help pay for health insurance premiums. The subsidies are based on your level of income and number of dependents in your family. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit through the Health Insurance Marketplace. Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse's plan). Contact the group health plan for additional information.
