**Program:** Disability and Survivor Benefits Division

**Item Type:** Action

### **Parties' Positions**

Staff argues that the Board of Administration should adopt the Proposed Decision.

Respondent Matthew Jeffery Allendorph's (Respondent Allendorph) position is included in Attachment C, if any.

Respondent City of Antioch's (Respondent City) position is included in Attachment C, if any.

### **Strategic Plan**

This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

### **Procedural Summary**

Respondent Allendorph submitted an application for industrial disability retirement (IDR) based on an orthopedic (right shoulder) condition. CalPERS determined that Respondent Allendorph was ineligible for industrial disability retirement because he had been terminated from his employment. Pursuant to the legal precedents set forth in *Haywood v. American River Fire Protection District* and its progeny, CalPERS determined Respondent Allendorph was ineligible to apply for IDR and canceled his IDR application. Respondent Allendorph appealed this determination and the matter was heard by the Office of Administrative Hearings on September 6, 2022. A Proposed Decision was issued on September 26, 2022, affirming CalPERS' determination and denying the appeal.
