

Cybersecurity Threat Landscape and Considerations for Board Members

Aravind Swaminathan, Partner, Orrick, Herrington & Sutcliffe LLP

Aravind Swaminathan is a strategic cybersecurity advisor who helps clients proactively plan for crises and develop strategies to improve resiliency, respond efficiently and effectively, protect their businesses and brands, and defend them in any subsequent litigation or enforcement actions. He has directed hundreds of cybersecurity incident response efforts. Prior to joining Orrick, Aravind was an Assistant United States Attorney and specialized Computer Hacking and Intellectual Property Section prosecutor with the United States Department of Justice.

Jamie Parker, Principal Analyst, Mandiant Inc.

Jamie Parker joined Mandiant in 2020 after serving as a Senior Analyst for the Department of Homeland Security, Cybersecurity and Infrastructure Security Agency (CISA), and other federal agencies, providing cyber threat intelligence. Currently, he leads a team of senior analysts at Mandiant supporting state, local, and educational entities across the U.S.
