

# Behavioral Health Update

## Summary of Discussion

Dr. Julia Logan will provide the Board of Administration with a two part presentation that describes an overview of CalPERS approach to clinical quality and equity as well as provides an update on behavioral health in our CalPERS health program. The first half of the presentation will outline how our approach to health equity and quality drives improvements in health outcomes and will include an overview of our long-term approach. The second half of the presentation will include an overview of the ongoing monitoring activities, innovation and progress in alignment activities with statewide purchaser partners to improve behavioral health access and treatment for CalPERS members.
