

Before You Arrive

Plan now and get the most out of your day.

myCalPERS Account

- Create an account at my.calpers.ca.gov, or
- Log in to your [myCalPERS account](#) to verify your access
- Once you've logged in, generate your service retirement estimate using the Retirement Estimate Calculator.

Find the steps to register, log in, and recover your username or password by visiting the [Using myCalPERS](#) webpage. Otherwise, call 888 CalPERS (or 888-225-7377) if you are unable to register for or log in to your account.

Event Schedule & Classes

- View the class schedule through our [In-Person Event Details](#) webpage.
- Download class learning guides on our [In-Person Event Details](#) webpage.

Health Benefits Classes

Our health benefit classes are for members who have, or are eligible for, CalPERS health benefits. You may verify your eligibility by doing one of the following:

- Ask your employer. If eligible, find out if:
 - You have health vesting requirements and what they are
 - Your employer contribution will change when you retire
- Talk to a CalPERS team member at our event by visiting the CalPERS Health Benefits Program table. You'll need your:
 - Employer's name as contracted with CalPERS (if retiring from a public agencies or schools), and
 - Union name and collective bargaining unit number

Social Security

Prepare to speak with a Social Security representative, when available, by doing the following:

- Log in to your [my Social Security account](#) and to download your latest Social Security Statement. Computers will also be available during the event to view your statement.
- Verify if you currently are or have worked for a government agency where you did not contribute to Social Security. If you're not sure, ask your human resources or payroll.
- Verify if your spouse has ever contributed to Social Security.
